NIPSCO ANNOUNCES IMMEDIATE JOB OPENINGS

MERRILLVILLE, Ind. -- Northern Indiana Public Service Company (NIPSCO) today announced it is accepting applications to fill several open positions within the company. "In the past few months, we have had a number of retirements from NIPSCO. That has created immediate opportunities for job applicants," said Colleen Reilly, Director of Communications and Public Affairs.

Currently, there are a variety of positions available and hiring is underway. Positions include meter readers, customer service representatives, supervisory positions in maintenance, construction, generation and more. There are also a variety of job opportunities available within the following departments:

- Environmental, Health and Safety
- Supply Chain
- Legal
- Operations
- Finance
- Regulatory
- Engineering

Educational requirements vary for each position, ranging from a high school diploma or equivalent to a two-year technical degree, as well as degrees in engineering, finance or accounting for other positions.

Job descriptions and the process for submitting applications for available positions can be accessed by going to www.nipSCO.com and selecting the "Career Opportunities" link at the bottom of the page.

Candidates must apply online. After applications are reviewed, candidates will be contacted by a representative from human resources for next steps.

NIPSCO, with headquarters in Merrillville, Ind., is one of the 10 energy distribution companies of NiSource Inc. (NYSE: NI). With over 712,000 natural gas customers and 445,000 electric customers across the northern third of Indiana, NIPSCO is the largest natural gas distribution company, and the second largest electric distribution company, in the state. NiSource distribution companies serve 3.8 million natural gas and electric customers primarily in nine states. More information about NIPSCO is available at www.nipSCO.com.
