**NIPSCO Announces Cindy Jackson as  
Energy Assistance and Weatherization Program Manager**

**MERRILLVILLE, IN** – Northern Indiana Public Service Company (NIPSCO) today announced Cindy Jackson has accepted the position as Energy Assistance and Weatherization Program Manager for the company.

Jackson will serve as the primary liaison to energy assistance agencies and township trustees within NIPSCO's service territory, as well as assist in planning and implementing corporate energy assistance and weatherization programs. She will report to Frank Shambo, Director Regulatory and Government Policy.

"Cindy has a broad range of experience with NIPSCO and understands the significance energy assistance agencies and NIPSCO play in our communities," said Shambo. "We welcome her to our team."

Jackson served as coordinator to NiSource's Environmental Health and Safety department for the past 6 years, and as the executive director of NiSource's Environmental Challenge Fund for the past 4 years.

A resident of Valparaiso, Jackson attended Kent State University where she majored in Biology.

NIPSCO, with headquarters in Merrillville, Ind., is one of the 10 energy distribution companies of NiSource Inc. (NYSE: NI). With nearly 700,000 natural gas customers and 440,000 electric customers across the northern third of Indiana, NIPSCO is the largest natural gas distribution company, and the second largest electric distribution company, in the state. NiSource distribution companies serve 3.7 million natural gas and electric customers primarily in nine states.
