NIPSCO TO BEGIN REPAIRS TO SAMPLE STREET GAS MAIN *Vehicle Restrictions in Place Along Sample Street*

South Bend, Ind. – Crews from Northern Indiana Public Service Company (NIPSCO) will begin repairs on Tue., April 10, to a natural gas main beneath Sample Street in South Bend.

Westbound Sample Street from Greenview to Birchwood will be restricted to one lane until repairs are complete. The main will be repaired on Thu., April 12.

Last week, crews from NIPSCO worked to pinpoint the location of the leak and have initiated a plan to monitor the site until the main is safely repaired.

NIPSCO, with headquarters in Merrillville, Ind., is one of the 10 energy distribution companies of NiSource Inc. (NYSE: NI). With over 712,000 natural gas customers and 445,000 electric customers across the northern third of Indiana, NIPSCO is the largest natural gas distribution company, and the second largest electric distribution company, in the state. NiSource distribution companies serve 3.8 million natural gas and electric customers primarily in nine states. More information about NIPSCO is available at www.nipSCO.com.
