**NIPSCO ENCOURAGES CUSTOMERS TO BE  
AWARE OF UTILITY IMPERSONATORS**

**MERRILLVILLE, Ind.** – Northern Indiana Public Service Company (NIPSCO) today encourages customers to be aware of impersonators who identify themselves as employees of NIPSCO and seek to enter a home.

“The safety of our customers and employees is our number one priority,” said NIPSCO General Manager Tim Dehring. “All NIPSCO employees are required to carry and display a company identification card and customers should always request to see company identification before allowing any NIPSCO employee into their home.”

In addition to the company identification card, the company’s logo is displayed on the outside of NIPSCO-owned vehicles. Company identification cards also include the NIPSCO logo, as well as the employee’s photograph, name and employee number.

Other helpful tips include:

- Always ask for identification, which all NIPSCO employees carry;
- Report all suspicious individuals to the police immediately;
- Contact NIPSCO at 1-800-4-NIPSCO (464-7726) to verify the employee;
- Investigate before signing a contract;
- Never provide credit card information or account numbers to telemarketers; and
- Use reputable companies or licensed and bonded persons to perform repair work.
