NIPSCO ENERGY MINUTE – FOCUS ON THE FIREPLACE

MERRILLVILLE, Ind. – In an effort to help customers manage winter heating bills, Northern Indiana Public Service Company (NIPSCO) today releases the fourth in a series of ongoing public service announcements called “Energy Minute” to print and broadcast media outlets across NIPSCO’s service area. These tips are aimed to help customers manage their energy bills this winter heating season.

Focus On The Fireplace. Make sure the damper in your fireplace is tightly closed when you’re not using the fireplace. Install glass doors on your fireplace – they can prevent valuable heat from being sucked up by the chimney. For these and other tips on how to use energy wisely this winter, log onto www.nipSCO.com.
