NIPSCO ENERGY MINUTE - PROGRAM IT

MERRILLVILLE, Ind. – In an effort to help customers manage winter heating bills, Northern Indiana Public Service Company (NIPSCO) today releases the seventh in a series of ongoing public service announcements called “Energy Minute” to print and broadcast media outlets across NIPSCO’s service area. These tips are aimed to help customers manage their energy bills this winter heating season.

Program It. Install a programmable furnace thermostat that you can program to lower the thermostat automatically at night and raise the temperature when you are up and about during the day. For these and other tips on how to use energy wisely this winter, log onto www.nipSCO.com.
